Weight: 265 lbs

The HALO II offers a unique, sleek design perfect for locations ranging from small convenience stores to high-end retail ATM locations. Eye-catching, LED lighting around the keypad attracts more users to drive additional transactions and revenue to your bottom line. The Nautilus Hyosung intuitive application interface is presented on a vivid 10.1-inch LCD screen, and all user touch points (screen interface, keypad and cash exit) are positioned for optimal visibility and access.

Nautilus Hyosung continues to lead the industry in reliability and ease of service. The HALO II uses proven cash dispensing technology engineered for maximum uptime, widely regarded as the best in the industry.

The HALO II provides a highly intuitive operator menu program that enables first-time and veteran users to easily operate and service the machine. It incorporates Nautilus Hyosung modular component architecture designed for high reliability, quick service and maximum accessibility.
